<http://localhost:3000> · captured 2026-09-10 14:31 · signed in as athlete-adult

5 of 5 steps captured at 1280px, 2x.

Entry point. <https://fydr.app/> — the root redirects to /login. Also any athlete link followed while signed out, via /login?next=<path>.

- 1 Step 0 — the sign-in screen as it loads: the wordmark, the eyebrow "ATHLETE AND STAFF", the heading "Sign in", the "Email" and "Password" fields, the "Sign in" button and "Forgot your password?"

ATH-

01

2 Step 1 — typed into "Email". Every other control stays visible and unchanged: "Password", "Sign in", "Forgot your password?"

ATH-
ADULT-01

3 Step 2 — typed into "Password". A deliberately invalid value: this capture never uses a real credential

ATH-ADULT-01

- 4 Step 3 — pressed "Sign in" with invalid details, to capture the refusal branch the document lists but had never seen — before
