Check-ins can't be edited once sent. If a number here is wrong, tell your coach — they can record a correction from your profile. If they do, this table says **Corrected** on that day and shows you what you originally reported.

No completed gym sessions between Fri 14 Aug and Thu 10 Sept.

Open a session to fix a set you mis-logged — the original is kept, never overwritten. Gym sets stay yours to correct; your check-ins and session ratings do not.
